

Our Jewish Community Responds

We launched the Jewish Community Pandemic Relief Fund last week to meet the critical needs of members of our community as the COVID-19 situation evolves in the world around us. Thanks to the kindness and generosity of our donors, including the visionary dollar-for-dollar match of \$150,000, we have already begun to make a difference. We have approved grants for two outstanding organizations in our community meeting the critical basic needs of families and individuals.

\$20,000

Jewish Family & Children's Services
Jewish Emergency Financial Assistance (JEFA)
Jewish Elder Care Access

\$20,000

Interfaith Community Services
Emergency Financial Assistance
Essential Services for Senior & Disabled Adults

The circumstances of this situation are changing quickly, and there is a great deal of work still needed to help organizations across our community respond rapidly to the growing challenges. We will continue making grants as needs emerge and additional dollars are secured. You can help be a part of the solution! Donate now to the Jewish Community Pandemic Relief Fund to secure a dollar-for-dollar match for your commitment.
