

Passover Greetings

FROM THE JEWISH FEDERATION AND
JEWISH COMMUNITY FOUNDATION OF SOUTHERN ARIZONA

At a time when we traditionally celebrate our freedom from captivity and oppression, we send our heartfelt wishes for good health and a meaningful and safe Pesach. Next year in Jerusalem (or at least together with all those we love)!

Thank you for your support of our Tucson and global Jewish communities.

CHAG SAMEACH!

Despite COVID-19 Outbreak, Mitzvah Magic and Matzah & More March Ahead

With innovative solutions provided by JFSA and JFCS, two critical annual Passover giving programs have been enabled to continue even under these difficult circumstances. Handicar, the Federation's senior transportation provider, will ensure that **Mitzvah Magic** can deliver gift baskets prepared by volunteers to dozens of families in need in our community while minimizing risk of exposure during the process. Through **Matzah & More**, more than 100 families will be offered gift cards for the purchase of Passover foods and invited to contact JFCS for assistance in Passover grocery delivery, ensuring everyone in our community can celebrate the holiday.
